A Note From Our Director

Friends of the Keeseville Free Library Bookshop June Hours

The bookshop will be open every Wednesday from 10 am–1 pm (June 3, 10, 17, 24). This month only, we will open the 3rd Saturday instead of the 2nd (June 20) from 10 am–1 pm. Look for the sign in the parking lot and come support the library!

Cyanotype Printing

Come explore cyanotypes with Matt Cauthorn and make lovely prints of plants on a dark blue background. An art form that predates modern photography, we'll explore how the sun brings out a shadow image in white on blue photosensitive paper, as well as learning the chemical process used to print on fabric. Using creative placement and varied development times results in gorgeous, unique art your whole family can do.
